Covid-19 Stakeholder Update / 09.04 20

This is the Ministry of Justice's regular stakeholder communications update service. This is intended to signpost the latest Covid-19 guidance and central government updates.

We encourage organisations to share these updates with your wider networks to ensure a wide circulation of important communications. For monitoring and evaluation purposes, we'd gratefully receive information on who you are sharing this with.

We would also find it helpful to know about your own communications plans and any intel that will help inform our communications moving forwards. Please do get in touch at stakeholder.intel@justice.gov.uk.

Service over the Easter Bank Holiday weekend

Further daily updates will continue over Good Friday and Saturday. Service will then resume on Tuesday 14 April. We will be on hand to issue ad-hoc communications over the weekend, should they be required.

Please find today's update below.

- We have robust and flexible plans to ensure we can continue to deliver key services across the justice system.
- A network of priority courts will remain open during the coronavirus pandemic to make sure the justice system continues to operate effectively.
- Selected lower-risk offenders, within weeks of their release dates, and pregnant women in custody who do not pose a high risk of harm to the public will be temporarily released from prison. This is to protect the NHS from the coronavirus risk in prisons, protect our officers and save lives.

HMPPS

NEW: Prison estate expanded to protect NHS from Coronavirus risk. Work to expand the prison estate by installing the first of 500 temporary, single occupancy cells will begin from today, as part of the Government's unprecedented action to protect the public and NHS during the Coronavirus pandemic. Read the full press release here: <https://www.gov.uk/government/news/prison-estate-expanded-to-protect-nhs-from-coronavirus-risk>

Prisons and probation services have implemented significant changes to comply with the Government's social distancing rules and to protect staff and service users. The service has been working closely with public health experts, as well as criminal justice partners, to ensure that robust contingency plans are in place and immediate action can be taken wherever cases are identified. The following page will continue to be updated when new advice is available: <https://www.gov.uk/guidance/coronavirus-covid-19-and-prisons>

As of 17:00 on Wednesday 8 APRIL:

- 149 prisoners have tested positive for COVID-19 across 47 prisons.
- 28 prison staff have tested positive for COVID-19 across 17 prisons.
- 5 Prisoner Escort and Custody Services (PECS) staff have tested positive for COVID-19.

Further updates with the latest figures may be released later this evening to the media and will be included here the following day for information, so please do bear with us if they are superseded during the day.

Ministry of Justice

NEW: Recognising the frontline staff working in the Justice sector. At 8pm this evening, to coincide with the national 'clap' for critical workers, the MOJ, HMPPS and HMCTS will be publishing content across their social media channels - showing appreciation for the hardworking #JusticeHeroes and #HiddenHeroes who are going the extra mile to deliver essential public services during this time.

As you know, their contribution towards the national effort is helping to save lives and protect the NHS. We would welcome your support by retweeting or liking our videos & infographics - or by posting a message of support to your own followers (using the hashtags #JusticeHeroes and #HiddenHeroes).

HMCTS

HMCTS maintain a guidance page that tracks the operational status of open, staffed and suspended courts. The page holds a tracker list of open, staffed and suspended courts during the coronavirus outbreak. It will be regularly updated: <https://www.gov.uk/guidance/courts-and-tribunals-tracker-list-during-coronavirus-outbreak>

During this unprecedented public health emergency, we are adjusting practices and taking steps to minimise the risk to the judiciary, court staff and users. Any changes to individual hearings will be communicated directly to those affected in the usual way, by email and/or phone. The following page will continue to be updated when new advice is available: <https://www.gov.uk/guidance/coronavirus-covid-19-courts-and-tribunals-planning-and-preparation>

HMCTS maintain a daily operational summary service on courts and tribunals from Monday to Friday during the Coronavirus outbreak. HMCTS aim to update this page daily by 9am: <https://www.gov.uk/guidance/hmcts-daily-operational-summary-on-courts-and-tribunals-during-coronavirus-covid-19-outbreak>

Victims and witnesses

Victim and witness support services: The Ministry of Justice has compiled information on accessing victim and witness support services during Covid-19. An overview of specialist helplines is available here: <https://www.gov.uk/guidance/coronavirus-covid-19-victim-and-witness-services>.
