COVID-19 Stakeholder Update / 28.05.20

[Help us improve our service \(Survey ends at midday on 29 May\)](#)

The Ministry of Justice COVID-19 Stakeholder Update signposts the latest COVID-19 news and guidance from government. To help us ensure our communications continue to meet your needs, we would be grateful if you could answer **five quick questions** and share your views. Responses are anonymous. **The survey can be found [here](#).**

- We have robust and flexible plans to ensure we can continue to deliver key services across the justice system.
- [Independent public health monitoring](#) suggests the steps we have taken are successfully limiting deaths and the transmission of coronavirus in prisons. Those measures include restricted regimes and social distancing within prisons, the early release of low-risk offenders approaching their release date, creating more space with 500 temporary cells and the re-opening of a formerly closed prison at Medway.
- Our priority is to make sure we can keep everyone in courts safe. Some courts have now, with approval from Public Health England and Public Health Wales, begun the resumption of jury trials with new juries having been sworn in at Cardiff Crown Court, The Old Bailey, Manchester Minshull Street and Bristol Crown Court.

NEW: Government launches NHS Test and Trace service. From today, anyone who tests positive for COVID-19 will be contacted by NHS Test and Trace and will need to share information about their recent interactions. People identified as having been in close contact with someone who has a positive test must stay at home for 14 days, even if they do not have symptoms, to stop unknowingly spreading the virus. Read the full press release here: <https://www.gov.uk/government/news/government-launches-nhs-test-and-trace-service>

HMCTS

During this unprecedented public health emergency, we are adjusting practices and taking steps to minimise the risk to the judiciary, court staff and users. Any changes to individual hearings will be communicated directly to those affected in the usual way, by email and/or phone. The following page will continue to be updated when new advice is available: <https://www.gov.uk/guidance/coronavirus-covid-19-courts-and-tribunals-planning-and-preparation>

HMPPS

Prisons and probation services have implemented significant changes to comply with the Government's social distancing rules and to protect staff and service users. The service has been working closely with public health experts, as well as criminal justice partners, to ensure that robust contingency plans are in place and immediate action can be taken wherever cases are identified. The following page will continue to be updated when new advice is available: <https://www.gov.uk/guidance/coronavirus-covid-19-and-prisons>

As of 17:00 on WEDNESDAY 27 MAY:

- 452 prisoners have tested positive for COVID-19 across 77 prisons;
- 897 prison staff have tested positive for COVID-19 across 105 prisons;
- 26 Prisoner Escort and Custody Services (PECS) staff have tested positive for COVID-19.

These figures reflect the total number of recorded positive cases – not the number of live cases – of COVID-19, and includes individuals that have recovered. Figures are interim and are subject to revision as more information becomes available.

Ministry of Justice

Appreciating critical workers across the Justice system. At 8pm tonight, to coincide with the national 'clap' for critical workers, the MOJ, HMPPS and HMCTS will be publishing content across their social media channels. Please add your appreciation for these critical workers by sharing this content or creating your own content on social media and using the hashtag #JusticeHeroes and #HiddenHeroes
